FALL 2014
ACCSC School Performance Fact Sheet: MASSAGE Programs, San Diego Campus
(Fall 2014 - Fall 2015)

(a) Completion rates*: MTH/AB 61%; AAS 46%; AS 20%
BS – no students enrolled
   • The completion rate is calculated by dividing the number of graduates (who completed in 150% of the time) by the number of students available for graduation.

(b) Placement rate*: MTH/AB 71%; AAS 83%; AS 57%
BS – no students enrolled
   • The job placement rate is calculated by dividing the number of graduates employed in the field by the number of graduates available for employment.

MTH: of 13 graduates available for employment, 11 became employed in their field of study
AAS: of 17 graduates available for employment, 5 became employed in their field of study
   • The student may obtain a list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates from the Director of Career Services.

(c) Licensure Exam Rate: There is no exam required for PCOM massage program graduates to take to acquire licensure in the state of California.

(d) The college makes no claims to applicants regarding salary that may be earned after completing the program. However the 2012 median annual salary listed by Salary.com for “Massage Therapist” in San Diego, California is $33,900.00.**

(e) The BS program currently is inactive. Information regarding general salary and placement statistics may be available from government sources or from the institution.
