Pacific College of Oriental Medicine, Chicago
School Performance Fact Sheet: MSTOM Program
(Based on Fall 2014 ACCSC Annual Report, & 2012-2013 NCCAOM Exam Results)

The following is a School Performance Fact Sheet for your information as a consumer.

(a) Completion rate: 54%*
   • The completion rate is calculated by dividing the number of graduates by the number of students available for graduation.

(b) Placement rate: 90%*
   • The job placement rate is calculated by dividing the number of graduates employed in the field by the number of graduates available for employment.
   • The student may obtain a list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates from the Alumni Services Department.

(c) National License examination passage rates, 1st time exam takers** (for 2 years)
