(a) Completion rate MSTOM & MSAC*

MSTOM: 53% (F07/W08/S08 matriculating cohorts)
MSAC: 62% (F07/W08/S08 matriculating cohorts)

• The completion rate is calculated by dividing the number of graduates by the number of students available for graduation.

(b) Placement Rate**
MSTOM: 88%
MSAC: 100%

• The job placement rate is calculated by dividing the number of graduates employed in the field by the number of graduates available for employment.
• The student may obtain a list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates from the Director of Alumni Services.
