For additional information on federal student aid, please visit [www.studentaid.ed.gov](http://www.studentaid.ed.gov).
- I will promptly answer all correspondence relating to my financial aid award (including emails), and will notify Pacific College of any change of address or attendance status.

- I understand that it is my responsibility to apply for financial aid each new award year.
- I understand that if I withdraw from all courses at Pacific College all or part of my aid may be returned to the federal student aid programs. If the amount returned is in excess of any tuition refunds, I will be responsible for any remaining balance due to the college.

I understand that Pacific College is required to make an annual distribution to all students and employees of its Drug Prevention Program information. The annual Drug Prevention Program Information includes standards of conduct that prohibit the unlawful possession, use or distribution of illegal drugs and alcohol by students and employees on the property or as part of any of its activities. I understand that Pacific College will impose disciplinary sanctions, up to and including expulsion or termination of employment and referral for prosecution, on students and employees for violation of the standards of conduct. Pacific College also has an Annual Security Report, which must be made available to prospective students as well as current students and employees and contains campus security policies and procedures as well as crime statistics and a sexual assault program. In addition, Pacific College distributes their Annual Consumer Information Fact Sheet which lists the completion rate for students.
