Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Cancellation or withdrawal from Pacific College will occur when the student or applicant gives notice with reason for cancellation or withdrawal to the Registrar's office or when the college has reasonably determined that the student is no longer attending classes, including classes the student is auditing. (DOD – Date of Determination). A “Petition to Withdraw from Program” may be obtained from the Registrar, Dean, or Student Advisor for this purpose or in an area where student forms are kept for student use. WITHDRAWAL – REFUND POLICY Up until the 8th day of the term start date: without penalty within three business days following either the regularly scheduled orientation or following a tour of the school facilities and inspection of equipment where training and services are provided. 2. All monies paid by an applicant will be refunded if requested within three days after signing an enrollment agreement and making an initial payment. 3. An applicant requesting cancellation more than three days after signing an enrollment agreement and making an initial payment, but prior to entering the school, is entitled to a refund of all monies paid minus the application and registration fee (Total \$80). 4. A student or applicant may cancel the enrollment agreement for a program at any time until the close of business on the eighth day of the term. (For classes starting after the first 8 days of the term, the student has 3 business days from the start of the class to drop the course with no fees or tuition charges. For classes starting in week 2 of the term, the college allows until the end of week 3 for the student to drop the class with no fees or tuition charges, including classes the student may be auditing.) • A full refund of tuition will be made if the student cancels or the DOD is within the first 8 days of the term either to the Federal Direct Loan Program or to the non-financial aid student. The refund will be issued within 60 days after the date of cancellation or 60 days after the LDA (Last Date of Attendance). Certain fees in addition to the Application and Registration Fee may be nonrefundable. (See “Fees and Charges”) For example only: A student who pays \$2000 in tuition and \$80 in fees (non-refundable resident application and term registration fee), \$2080 total, in advance for the term, and then cancels before the close of business on the fifteenth day of the term receives \$2000 as a refund. (Payable to the Federal Direct Loan Program, if a financial aid student.)

•In addition, if a student has received federal student financial aid funds, s/he is entitled to a refund of refundable monies not paid from Federal Direct Loan Program
